RULES OF COMPETITION

FOR 2021

1. Participation in the competition may be taken by any breeder (except the organizers and their families) who registers pigeons of the year 2021 using the application form available on the MWG Mazury website at www.mwgmazury.pl or by another effective method and will meet all conditions set out in the regulations of MWG Mazury.
2. The condition for participation is the payment of the initial fee (i.e. booking a place for MWG Mazury) in the amount of PLN 200 / EUR 50 for each registered pigeon, and payment of the remaining part no later than 7 days after the pigeons are delivered to the organizer, which additionally constitutes acceptance of this regulations.
3. If a breeder who enters pigeons at MWG Mazury fails to pay the remaining fee after 7 days from the designated date, the organizer has the right to remove such person from the list of participants.
4. If the pigeons are not delivered to the joint loft, the initial fee is not refundable.
5. The total fee for 1 pigeon entered is 400 PLN or 100 EUR (gross).
6. Bank account number: Account for payments (in PLN): PKO BP 88 1020 1332 0000 1702 1084 2286 Account for payments (in EURO): PL93 1020 1332 0000 1502 1084 2294 SWIFT - BPKOPLPW also available on the website of the common dovecote: www.mwgmazury.pl
7. Planned date of receiving pigeons is 03/15/2021 - 05/15/2021. Each pigeon delivered to a shared loft must have an ownership card. The exchange of pigeons (dead, missing, etc.) will be available until June 15, 2021.
8. At MWG Mazury we deliver 40 - 45 day old pigeons, winter pigeons absolutely cannot compete on the common loft.
9. Absolutely, pigeons entered and delivered to the common loft should be vaccinated against Paramyxovirus
10. The pigeons' pedigrees shall be provided by the breeders before the final flight (deadline) or at their discretion upon delivery to the organizer.
11. The organizer is planning an electronic control of the condition of the loft on an ongoing basis. All pigeons will be assigned electronic rings.
12. The pigeons delivered to the joint loft are subject to the regulations of the organizer.
13. Important - pigeons delivered in poor health condition with signs of disease will be immediately returned at the participant's expense.
14. Each participant of MWG Mazury may submit any number of teams consisting of 6 pigeons.
15. Please note that it is possible to enter a smaller number of pigeons.
16. The winning teams of the MWG Mazury competition will select 4 competition flights + final flight (the sum of points counts)
Point 12 Flight schedule (the organizer reserves the right to change):

Training races

- 1 training race - (+/- 3 - 5 km)
- 2 training race - (+/- 5 - 10 km)
- 3 training race - (+/- 10 - 15 km)
- 4 training race - (+/- 10 - 15 km)
- 5 training race - (+/- 20 - 25 km)
- 6 training race - (+/- 20 - 25 km)
- 7 training race - (+/- 40 - 50 km)
- 8 training race - (+/- 70 km)

Competition races

- 1 competition races +/- 110 km
- 2 competition races +/- 190 km
- 3 competition races +/- 250 km
- 4 competition races +/- 350 km
- Final race +/- 500 km

17. Training flights do not count towards the AS and Team classification.
18. A detailed list of places and dates of competition flights and the final flight will be posted on the MWG Mazury website.
19. The direction of flights will be the west from Poland.
 - Due to unfavorable weather conditions, the organizer reserves the right to shorten the flight distance and change the date of the flight.
 - For humanitarian reasons, a pigeon that returns the day before the flight, or in bad condition will not be shipped for the next flight. (this rule will not apply to the final flight)
20. For each competition flight, pigeons will be put on by the staking commission consisting of the organizer and willing participants of MWG Mazury.
21. All training flights will be carried out with the system turned on (no rewards)
22. Completion of competition flights will be carried out as follows:
72 hours from the release of the pigeons, regardless of the number, e.g. (the release of the pigeons for the flight took place on Sunday at 6.00, the clock is disconnected on Wednesday at 6.00)
23. During the final flight, the constituent system will be disconnected after 4 days from the release of lovebirds, eg (release took place on Sunday at 7.00 am, the clock is disconnected on Thursday at 7.00 am).
24. The planned maximum number of the International Joint Pigeon House in Masuria in 2021 will be 2,000 young pigeons.
25. Award system at MWG Mazury:
 - With a stocking of 2,000 basic pigeons, the total amount of financial prizes will be approximately PLN 435,000 + prizes in the form of cups and commemorative diplomas + possible prizes from sponsors of the joint loft. In the event of not reaching the full loft pool, the prizes will be reduced proportionally (as a percentage).

- The final amount of the prizes will be announced on the joint loft page once the pigeons are received.
- In flight, the final organizer will award the 150 fastest pigeons. The distribution of the prizes of the final flight and other competitions of the joint loft is as follows: (final distribution of prizes after the end of the pigeon collection)

In addition, the organizer introduces additional prizes, as in the 2020 season:

- "Lucky Thirteen" - prizes for the 13th place in competition flights, the final and semifinal flight and the 13th "Ace"
26. The winning pigeons in the AS competition will also be counted from the sum of the points.
 27. If, during the final flight, the assumed number of 150 pigeons does not return, the remaining amount allocated and not used for prizes will be divided equally between pigeons that participated in the final flight but did not return from it until the flight was closed or passed to the prize pool of the next season.
 28. The Organizer absolutely undertakes the following obligations related to the organization of MWG Mazury:
 - accommodation of pigeons in a shared loft
 - humane treatment of entrusted pigeons
 - veterinary care over entrusted pigeons
 - adequate nutrition
 - proper organization of training and competition flights,
 - keeping and posting relevant documentation on the course of the competition on the website
 29. Pigeons will be additionally vaccinated against Paramyxovirosis and smallpox.
 30. Veterinary care in the 2021 season will be carried out by a specialized veterinarian.
 31. All pigeons that finish the competition in the final flight will be put up for auction. Income from the auction will be divided between the organizer - participant in the ratio 50% / 50% less tax and the commission for the auction.
 32. The starting price of the pigeon at the auction is determined by the organizer depending on the results achieved. The price cannot be lower than PLN 150 a piece.
 33. Pigeons that return by the auction start date will also be listed there.

- Point 6 Pigeons that will not be auctioned shall become the property of the organizer, also those without cards and pedigrees.
34. All prize money will be paid after the auction has been closed and settled.
 35. A bank commission will be deducted from prizes sent to foreign accounts.
 36. The organizer informs that cash prizes will be reduced by 10% income tax to the Tax Office in accordance with Polish law.
 37. On the day of the final flight, an event is planned for participants and fans.
